

# Beijing Qitan Technology Co., Ltd. Public License

License Copyright: Copyright © 2022 Beijing Qitan Technology Co., Ltd.

Version: 1.0 <插入许可全文链接>

## 1. Definition

“License” refers to this document.

“Covered Program” refers to Initial Program and any Modifications of the Initial Program.

“Initial Program” refers to the original version of the software accompanying this License as released by Beijing Qitan Technology Co., Ltd., including source code, object code and documentation, if any. Beijing Qitan Technology Co., Ltd. is the original copyright holder of the Initial Program.

“Modification(s)” refers to the resulting work from copying or adapting all or parts of the Covered Program in a fashion requiring copyright permission.

“Contributor” refers to each individual or organization who creates, contributes to create or owns the Covered Program. The licensees/recipients of Covered Program are also addressed as “You”, and may be individuals or organizations.

“Research Purposes” refers to use for internal research and not intended for or directed towards commercial advantages or monetary compensation; provided, however, that monetary compensation does not include sponsored research funded by grants.

An interactive user interface displays “Appropriate Legal Notices” to the extent that it includes a convenient and prominently visible feature that (i) displays an appropriate copyright notice, and (ii) tells the user that there is no warranty for the work (except to the extent that warranties are provided), that licensees may convey the work under this License, and how to view a copy of this License. If the interface presents a list of user commands or options, such as a menu, a prominent item in the list meets this criterion.

## 2. Grant of License

- 2.1. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this License) copyright license to make, run, propagate, convey or distribute Covered Program in source code or object code form solely for Research Purposes.
- 2.2. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, run, propagate, convey or distribute the

Covered Program, where such license applies only to those patent claims licensable by such Contributor that are necessarily infringed by their Modification(s) alone or by combination of their Modification(s) with the Covered Program to which such Modification(s) was submitted. If You institute patent litigation against any entity (including a cross-claim or counterclaim in a lawsuit) alleging that the Covered Program or a Modification incorporated within the Covered Program constitutes direct or contributory patent infringement, then any patent licenses granted to You under this License for that Covered Program shall terminate as of the date such litigation is filed.

2.3. This License does not permit incorporating any Covered Program into proprietary programs.

### **3. Propagate, Convey and Distribute**

You may propagate, convey or distribute copies of the Covered Program, in any medium, provided that You conspicuously and appropriately:

- (a) must pass on to the recipients the same freedoms that You have received;
- (b) You must make sure that the recipients, too, receive or can get the source codes, and You must show them these terms so they know their rights;
- (c) publish on each copy an appropriate copyright notice;
- (d) keep intact all notices stating that this License applies to the codes and give all recipients a copy of this License along with the Covered Program;
- (e) keep intact all notices of the absence of any warranty;
- (f) carry prominent notices stating that You modified it (if applicable), and giving a relevant date;
- (g) if the Covered Program has interactive user interfaces, each must display Appropriate Legal Notices; however, if the Covered Program has interactive interfaces that do not display Appropriate Legal Notices, Your work need not make them do so.

### **4. Termination**

- 4.1. You may not make, run, propagate, convey or distribute a Covered Program except as expressly provided under this License. Any attempt otherwise is void, and will automatically terminate Your rights under this License.
- 4.2. Termination of Your rights does not terminate the licenses of parties who have received copies or rights from You under this License. If Your rights have been terminated and not permanently reinstated, You do not qualify to receive new licenses for the same material

under section 6.

## **5. Acceptance of License**

You are not required to accept this License in order to merely receive or run a copy of the Covered Program. Ancillary propagation of a Covered Program occurring solely as a consequence of using peer-to-peer transmission to receive a copy likewise does not require acceptance. However, nothing other than this License grants You permission to make, propagate, convey or distribute any Covered Program. These actions infringe copyright if You do not accept this License. Therefore, by making, propagating, conveying or distributing a Covered Program, You indicate Your acceptance of this License.

## **6. Automatic Licensing**

Each time You propagate, convey or distribute a Covered Program, the recipient automatically receives a license from the original licensors, to run, make, propagate, convey or distribute that Covered Program, subject to this License. You are not responsible for enforcing compliance by third parties with this License.

## **7. Non-Compliance Due to Statute or Regulation**

If it is impossible for You to comply with any of the terms of this License with respect to some or all of the Covered Program due to statute, judicial order, or regulation then You must: (a) comply with the terms of this License to the maximum extent possible; and (b) describe the limitations and the codes they affect. Such description must be placed in a text file included with all distributions of the Covered Program under this License. Except to the extent prohibited by statute or regulation, such description must be sufficiently detailed for a recipient of ordinary skill to be able to understand it.

## **8. Revision of this License**

- 8.1. Beijing Qitan Technology Co., Ltd. may publish new versions of the License from time to time. Each version is given a distinguishing version number.
- 8.2. If the Covered Program specifies that a certain numbered version “or any later version” applies to it, You have the option of following the terms and conditions either of that numbered version or of any later version published. If the Covered Program does not specify a version number, You may choose any version ever published.
- 8.3. Later license versions may give You additional or different permissions. However, no additional obligations are imposed on any author or copyright holder as a result of Your choosing to follow a later version.

## **9. Disclaimer of Warranty**

THERE IS NO WARRANTY FOR THE COVERED PROGRAM, TO THE EXTENT PERMITTED BY APPLICABLE LAW. EXCEPT WHEN OTHERWISE STATED IN WRITING THE COPYRIGHT HOLDERS AND/OR OTHER PARTIES PROVIDE THE PROGRAM "AS IS" WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESSED OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. THE ENTIRE RISK AS TO THE QUALITY AND PERFORMANCE OF THE PROGRAM IS WITH YOU. SHOULD THE COVERED PROGRAM PROVE DEFECTIVE, YOU ASSUME THE COST OF ALL NECESSARY SERVICING, REPAIR OR CORRECTION.

#### **10. Liability Limitation**

IN NO EVENT UNLESS REQUIRED BY APPLICABLE LAW OR AGREED TO IN WRITING WILL ANY COPYRIGHT HOLDER, OR ANY OTHER PARTY WHO PROPAGATE, CONVEY OR DISTRIBUTE THE COVERED PROGRAM AS PERMITTED ABOVE, BE LIABLE TO YOU FOR DAMAGES, INCLUDING ANY GENERAL, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OR INABILITY TO USE THE COVERED PROGRAM (INCLUDING BUT NOT LIMITED TO LOSS OF DATA OR DATA BEING RENDERED INACCURATE OR LOSSES SUSTAINED BY YOU OR THIRD PARTIES OR A FAILURE OF THE COVERED PROGRAM TO OPERATE WITH ANY OTHER PROGRAMS), EVEN IF SUCH HOLDER OR OTHER PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.
